Subject choices

After processing applications, we will generate option blocks for subjects in order to satisfy the majority of requests. You will be contacted during the Spring Term 2023 if one of the subjects you have opted for is unable to run, or if there is a clash in your course combination. Chosen subjects will be confirmed at the process of enrolment in the summer and are on the condition that you have met the entry requirements for the subject. Students may start with four subjects and this can be discussed at enrolment.

Subject 1	Subject 2	Subject 3

We are currently exploring the possibility of offering **A Level politics** to students joining Year 12 in September 2022. If you would be interested in studying this course as an alternative to one of your other subject choices, write the name of the subject in the box below that you would substitute for Politics.

As Ranelagh is a Church of England school we ask that all applicants are comfortable with the Christian ethos of the school.
